Ryan and Jahan – the documents in the links below as well as the attached documents (the two PDFs) from the OIG are set to be released in a FOIA today. The attachments are responsive to part of the request that asks for “Communications between any EPA ethics official (including but not limited to Kevin Minoli and Justina Fugh) and any other person regarding Scott Pruitt on or after November 9, 2016. The two attachments relate to the OIG investigation regarding travel. The majority of the information contained in their emails is publicly available as they are required to post audit notices on the public facing website.

Please look at the second attachment called “Minoli Pages from OIG.”
